## Education

### General Assembly

Flatiron, NYC  
Certificate in UX/UI Design,  
January 2023

Acquired skills in user research, wireframing, and prototyping, along with a deep understanding of information architecture, UI design principles, and interaction design. Proficient in accessibility standards, utilizing tools such as Figma, and applying an iterative approach to design.

### La Guardia Community College

Long Island City, NYC  
A.A.S in New Media  
Studies,  
2012-2025

Achieved a holistic understanding of digital communication, encompassing multimedia production, social media strategy, digital marketing, and web design. Enhanced expertise in emerging technologies and critical evaluation of digital media.

### Unitech

Bogota, Colombia  
Bachelor of Graphic Design,  
2004-2008

Developed a solid foundation in graphic design principles and advanced proficiency in the Adobe Creative Suite, resulting in the creation of compelling visual designs.

- Adobe Premiere Pro
- Adobe Indesign
- Adobe Fresco (iPad)
- Procreate (iPad)
- Figma
- WebFlow

## Professional Experience

As a creative professional pivoting from a career in hospitality to UX/UI design, I am invigorated by the opportunity to immerse myself in the creative field once more. With a fresh certification in UX/UI design, I am eager to apply my skills in a collaborative team setting. My goal is to contribute innovative and strategic design solutions for apps and websites, driven by a passion for exceptional user experience and a commitment to continuous learning and professional growth.
