After Effects CC - Animated Infographic Training

Daniel Walter Scott, Course Creator & Founder

Adobe
Certified Professional

ABOUT THE COURSE

This online course provided essential skills in creating animated infographics using Adobe After Effects. Topics covered included - exporting data from an Excel spreadsheet, animated charts and graphs, percentage counters, animating icons, voice overs, vector redraw, puppet tool, motion blur, opacity, lighting and camera techniques, masking, using sound, precomping, exporting for YouTube, social media and presentation. These skills have been demonstrated through completed projects.
